

Regional centres of CIFA and CIFRI organises training programme

Bangalore

18th February 2013

Regional centres of CIFA and CIFRI in Bangalore organised a collaborative interstate training programme on “Diversification and integration possibilities in inland aquaculture practices”. The first training programme on “Diversification and integration possibilities in inland aquaculture practice” under Fisheries – ATMA to aqua farmers from Kerala was inaugurated by Dr.S.P.Iyer, Director (Retd.) CIFRI, Barrackpore on 18th February 2013. A group of 16 aquafarmers and 2 fishery officials have undergone training held during 18-22 Feb. 2013 at CIFA-CIFRI campus in Bangalore. Dr. Iyer exhorted the farmers to practice scientific fish farming without impacting the environment. Dr.P.K.Sukumaran Principal Scientist (Retd.) CIFRI, Dr.N.Sridhar and Shri.M.Feroz Khan spoke on the occasion.
